

Minimum System Requirements

Desktop and Mobile Devices

Last Updated: May 24, 2016

The Payworks Application has been optimized and tested with the following configurations. Additional configurations may work and provide a positive user experience, but have not been tested and are not actively supported at this time.

Desktop – Payworks Application including Employee Self Service

Browser	Supported
Microsoft IE	IE 11.x, IE 10.x, running on Windows 7
Google Chrome	Windows 7
Mozilla Firefox	Windows 7
Safari	OS X 10.10 (Yosemite)

Note: No testing has been completed with the new Edge browser running on Windows 10

Mobile Devices – Employee Self Service (Payroll)

Device	Supported
Apple	iPhone 4 and Safari browser
Android	Samsung and Nexus devices using the latest Google Chrome browser
Windows	Not tested/supported at this time
Blackberry	Not tested/supported at this time

If you have any questions, please call 1-866-788-3500 to speak with your Payworks Sales or Client Service Representative.
