

Minimum System Requirements

Desktop and mobile devices

The Payworks application is optimized and tested using the following browsers, operating systems, and mobile devices. Additional configurations may work and provide a positive user experience, however, are unsupported at this time.

DESKTOP – For use with Payworks application including employee self service

OS	Browsers
Windows 10	Google Chrome

MOBILE DEVICES – For use with employee self service

OS	Supported Devices	Browsers
iOS	iPhones X, XR, XS, XS Max, iPhones 11, 11 Pro, 11 Pro Max	Apple Safari Google Chrome
Android	Samsung Galaxy S9 - S10	Samsung Internet Google Chrome

Note: Browsers are based on latest publically released version.

If you have any questions, please call **1-866-788-3500** to speak with your Payworks Sales or Client Service Representative.
