

Payworks and CDK Global™ Canada Launch New Relationship

February 29, 2016 – Payworks, a leading provider of workforce management solutions, is pleased to announce a new national agreement with CDK Global (Canada) Limited – bringing together the two organizations. CDK Global™ Canada will now offer its clients Payworks' suite of innovative cloud-based products, including payroll, time and attendance, and human resource solutions, through a seamless integration with CDK Global Canada's dealer management system.

"This relationship is unique in that it will allow CDK clients to benefit from our comprehensive workforce management products through a fully integrated solution with CDK's dealer management system," says JP Perron, President of Payworks. "In addition, they'll have direct access to a great service experience delivered by Payworks' team of expert implementation and client service specialists."

CDK Global Canada's, Vice President and General Manager, Dean Anton says, "Our clients can expect increased payroll accuracy, time savings and unparalleled service from Payworks. We look forward to building this partnership and the value it creates for our Dealers."

Payworks is excited about the opportunity to serve CDK Global's extensive network of Canadian Dealers. "We feel this relationship is a natural fit as both Payworks and CDK place tremendous value on delivering innovative technologies that simplify business processes," says JP Perron.

"At CDK Global, we recognize our Dealers depend on us to not only manage their entire dealer operations, but to also effectively manage their workforces. To this end, we are pleased to enter into this agreement with Payworks as a complement to our existing suite of industry leading solutions," says Dean Anton.

About CDK Global

With more than \$2 billion in revenues, CDK Global (Nasdaq: CDK) is a leading global provider of integrated information technology and digital marketing solutions to the automotive retail industry and agencies. CDK Global provides solutions in more than 100 countries around the world, serving more than 27,000 retail locations and most automotive manufacturers. CDK Global's solutions automate and integrate critical workflow processes from pre-sale targeted advertising and marketing campaigns to the sale, financing, insuring, parts supply, repair and maintenance of vehicles, with an increasing focus on utilizing data analytics and predictive intelligence.
