

PAYWORKS CELEBRATES NATIONAL PAYROLL WEEK VIRTUALLY IN 2020

September 21, 2020 – Every year during National Payroll Week (NPW), the Canadian Payroll Association (CPA) recognizes the outstanding contributions of its 40,000+ members with celebrations, professional development, networking opportunities and much more. Payworks is proud to support NPW as a Contributing Sponsor for 2020.

This year's NPW begins today, but virtually from coast-to-coast. Delegates can attend online training sessions, participate in challenges and contribute within a series of forums to share knowledge, best practices and ideas for the future.

Payroll practitioners are among the key engines that keep organizations across the country running smoothly. Without their expertise, dedication and hard work, their own teams wouldn't have the earnings they rely upon to support themselves, their families or their communities. Payworks knows that Canadian business truly is #PoweredbyPayroll!

To say that 2020 brought new challenges to payroll professionals would be an understatement. Each of them has been called upon to continuously evolve their knowledge and processes to meet the ever-changing requirements of our global "new normal." Payworks sincerely thanks them for all that they do every day, and especially this past year.

Payworks is pleased to support NPW in providing recognizing the tremendous achievements of the past 12 months and preparing for the year ahead. Follow Payworks on social media to keep in the loop on NPW information and resources.
