

ON OUR SHARED 20TH ANNIVERSARY, PAYWORKS SUPPORTS CANCERCARE MANITOBA FOUNDATION

April 12, 2021 – Like Payworks, it's been 20 years since the CancerCare Manitoba Foundation opened its doors. In that time, they've helped hundreds of thousands of Manitobans navigate cancer education, screening, treatment and care, as well as leading highly-impactful research initiatives that promise "more tomorrows together."

Payworks is honoured to support this research with a \$50,000 donation to the CancerCare Manitoba Foundation, as part of our 20th anniversary donation series. This contribution will be used to fund some of the groundbreaking breast cancer research that CancerCare Manitoba is undertaking on an ongoing basis.

"CancerCare Manitoba Foundation would like to sincerely thank Payworks for their ongoing support, including sponsorship of annual fundraising initiatives, individual employee donations and of course this generous major gift on our shared 20th anniversary," says Patti Smith, President and CEO of CancerCare Manitoba Foundation. "Every dollar stays in the province to serve the over 7,000 Manitobans that face a new cancer diagnosis each year. We know there's no shortage of need in our community – especially right now – and are humbled by Payworks' trust in us as stewards of meaningful, impactful community support."

"One of the goals of our 20th anniversary donation series is to support initiatives that are particularly close to our employees' hearts," says JP Perron, President and CEO of Payworks. "CancerCare Manitoba and the Foundation do so much good in our community, and make such a critical impact on so many individuals and their loved ones. We appreciate their dedication and are inspired by their commitment to building a healthier, stronger Manitoba."

About Payworks

Doing business to business, person to person. Payworks is a leading expert in the field of total workforce management solutions, providing cloud-based Payroll, Human Resources, Employee Time and Absence Management to businesses across Canada.
