

# PAYWORKS LAUNCHES NEW HR ADVISORY SERVICES

*Practical guidance and expert support for business owners and managers*

---

**January 9, 2020** – Payworks has launched a new product offering for clients looking for practical human resources, legal and financial guidance and support from industry experts. **HR Advisory Services** is offered in partnership with Arete® HR Inc., who have been dedicated to improving the well-being of Canadians through employee and business assistance programs for over a decade.

Featuring a wide range of easily-accessible resources, from online samples to personalized phone support, HR Advisory Services aims to provide guidance on the broad spectrum of issues faced by Canadian businesses on a daily basis. This new offering will help owners and managers increase their knowledge and allow an organization to confidently make informed choices and improve operational practices, ultimately improving the success and well-being of their business.

HR Advisory Services' online library of carefully curated best practice content and samples is accessible anytime, from anywhere. Unlimited confidential, personalized support from leading HR professional advisors is also accessible by phone, providing management teams with versatile and insightful support to strengthen their business.

Organizations of any size can leverage HR Advisory Services to inform decisions around unexpected HR events, gain clarification on new or existing legislation and how that may impact their obligations as an employer, elevate their legal and financial knowledge, and assist their employees by providing them with access to private, professional counselling.

Signing up for HR Advisory Services also grants access to up to nine combined hours of legal, financial and specialized HR services per calendar year, provided by industry experts including designated HR professionals, lawyers and certified accounting professionals.

Together, Payworks and Arete are excited to offer this solution to Canadian business owners and managers. Payworks also offers a range of solutions that complement HR Advisory Services including Payroll, Human Resources, Time and Absence Management, Workforce Analytics and Employee Self Service.
