

PAYWORKS JOINS CPA CANADA'S SAVINGS AND OFFERS PROGRAM

November 26, 2021 – As part of Payworks' continued dedication to serving Canadian accountants and their clients, we're excited to announce our participation as a new supplier in the Savings and Offers Program provided by Chartered Professional Accountants of Canada (CPA Canada).

Through the [Savings and Offers program](#), CPA Canada provides its members exclusive offers and discounts on products and services. Payworks is offering discounted services including:

- Payroll run charge
- Per employee paid (per employee)
- Employee Self Service
- Records of Employment

"Payworks has long-standing relationships with Canadian CPAs across the country and we're excited for the opportunity to help members simplify the task of processing client payrolls. We know that by choosing Payworks either as a service provider or referral partner, CPAs are putting a great deal of trust in us. We don't view payroll as a transaction, but as a relationship," says Jaclyn Christie, Vice President, Marketing at Payworks.

CPA Canada works collaboratively with the provincial, territorial, and Bermudian CPA bodies, as it represents the Canadian accounting profession, both nationally and internationally. This collaboration allows the Canadian profession to champion best practices that benefit business and society, as well as prepare its members for an ever-evolving operating environment featuring unprecedented change. Representing more than 220,000 members, CPA Canada is one of the largest national accounting bodies worldwide.

"As a 100% Canadian owned and operated business, we understand what it means to employ and manage people here in Canada," says Jaclyn Christie. "That's why accounting professionals across the country continue to refer their clients and colleagues to Payworks."
