

PAYWORKS PARTNERS WITH COPA & CHHMA

Payworks is pleased to announce that it has partnered with the Canadian Office Products Association (COPA) and the Canadian Hardware and Houseware Manufacturers Association (CHHMA) to offer cloud-based Payroll, Human Resources, Employee Time and Absence Management solutions to their members.

COPA has existed for over 80 years and is a membership community for Canada's resellers and manufacturers of office products. Today, along with providing discount programs and delivering the industry's largest conference and networking events, COPA is heavily involved in developing research and training initiatives.

CHHMA is a national non-profit organization comprised of companies who manufacture and distribute hardware and houseware products. While lobby efforts are still a major part of the Association's mandate, the CHHMA also hosts numerous business functions, social events and networking opportunities each year to provide value to its members.

Representatives from Payworks will also be on hand at the upcoming CHHMA Spring Conference & AGM on April 3, 2018 at the Mississauga Convention Centre to support the partnership and provide more details on their suite of solutions.

About Payworks
