

A NEW PARTNERSHIP WITH RCC

January 20, 2020 - Payworks is excited to announce a new partnership as a Program Provider with Retail Council of Canada (RCC), The Voice of Retail™ in Canada since 1963. RCC members will now benefit from preferred pricing when they choose Payworks for payroll solutions.

“Payworks proudly supports Canadian retail businesses and we believe the partnership with RCC is a natural extension of our work to recognize the contributions these entrepreneurs make to the Canadian economy,” says JP Perron, President & CEO of Payworks. “We are confident RCC members will see the value in our competitive offering and will appreciate the world-class service experience delivered by our dedicated Service team.”

The RCC preferred payroll pricing allows RCC members to take advantage of Payroll solutions tailored to their needs that include direct deposit, year-end filing and support, Records of Employment, online employee self service, as well as a designated CPA-trained client service representative.

RCC’s mission is to advance the interests of the retail industry through effective advocacy, communications and education. They are proud to represent the country’s largest private sector employer – supporting over 2 million Canadians and contributing to the economic health and well-being of our communities from coast to coast.
